

# FUNGA FEST 2025

Abstract Submission Deadline: **October 31, 2025**

Registration deadline: **November 15, 2025**

**7-11 DEC, 2025**

**BEN-GURION UNIVERSITY  
OF THE NEGEV, BEERSHEBA**

## PRELIMINARY PROGRAM

**DEC 7, 2025**

### SCIENCE & APPLIED MYCOLOGY

Science & Applied Mycology – A day dedicated to cutting-edge research in basic and applied mycology. Includes poster sessions and discussions on myco-industry.

**DEC 8, 2025**

### MEDICAL MYCOLOGY & PLANT PATHOLOGY

Medical & Plant Pathology – Focus on fungal diseases in humans, crops, and medicinal macrofungi. Posters and talks highlight new therapies and agricultural solutions.

**DEC 9, 2025**

### MUSHROOM FORAY & COOKERY

Field & Culinary Experience – Mushroom foray in nature followed by a unique cooking event. Fresh and exotic fungi prepared in a collaborative culinary session.

**DEC 10, 2025**

### FUNGAL DIVERSITY & CULTURE

Fungal Diversity & Culture – Sessions on taxonomy, ecology, and biodiversity of fungi. Includes posters and an ethno-mycology track on cultural perspectives.

**DEC 11, 2025**

### INDUSTRY & FARM DAY

Industry & Farm Day – Guided tours of mushroom farms. A behind-the-scenes look at cultivation, innovation, and commercial applications.
